3rd transnational project meeting

“Digitally supported and sustainability-oriented centers of excellence Design Vocational Education in Europe (DUNE-BB-EU)” 2019-1-DE02-KA202-006549

26 February 2021, Online meeting

14:00 to 14:10	Opening of the project meeting with a brief introduction of partner delegations
	Special welcome speeches
14:10 to 14:25	* Riccardo Nencini Member of Italian Parliament (culture commission) * Nicola Danti Member of the European Parliament * Yana Ehm ex student, Member of Italian Parliament (foreign affairs commission)
	* Paolo Badiali (European projects coordinator):
14:25 to 14:35	Introduction to the new video of presentation of IIS Giotto Ulivi made specifically for the 3rd Dune meeting
14:35 to 14:55	* Antonio Mainolfi (business&finance department) inspiring students to sustainable economics
	* Francesco Lupi (architecture, building & design department)
14:55 to 15:15	implementing a virtuous cycle in the building sector: learning a trade without harming the environment
	* Paolo Badiali (European projects coordinator):
15:15 to 15:25	Introduction to the video on the launching of the vocational center Mugello Agribusiness developing new professional dimensions in the supply chain management
	* Claudio Peri (academy of the Georgofili, Florence and professor emeritus Milan University)
15.25 to 15:50	final synthesis of the role of the technical and VET school systems as community stimulators and in constant dialogue with their local municipalities and universities. Schools should become real think tanks and centres of experimentation aiming at reaching sustainability in all fields and even in the social sphere. Prospects of developments for a future Erasmus+ project
15:50 to 16:10	Open discussion
	* Stefan Nowatschin Principal BBS 1 Uelzen (project coordinator)
16:10 to 16:20	conclusions and setting of the agenda for the next meetings

Co-funded by the
Erasmus+ Programme
of the European Union
